### Kindergarten Class

Central United Methodist Day School offers the only half-day Kindergarten program in Randolph County by eliminating the lunch period and nap time. The curriculum is faith-based and incorporates the standards set by the NC Department of Public Instruction. The school year is divided into three units: The Story of Creation, The Life and Times of Jesus, and I Love to Tell the Stories. Science, Social Studies, Language Arts, Math, Reading, Phonics and Health objectives are all incorporated into the three major areas.

The children will go on field trips and community walks. They will participate in special events and put on special presentations for the rest of the Day School. Class size is limited to 12 students, supervised by a teacher

and an assistant. Their classroom is a special place where learning takes many different forms!

Class times are: 8:30 a.m. to 12:30 p.m.

Tuition for the 2021-2022 school year is \$230.00/month. There is a one time Registration Fee of \$80.00. (Non-refundable)

### Special Events

Throughout the year we offer many special events for the children and their families. Due to restrictions imposed by Covid guidelines, many of our special events now take place within the classroom setting, but we try to have very diverse and interesting events throughout the school year. We are constantly trying to find new ways to include parents in special events both virtually and with pictures.  
\* Some events are specific to certain classes (age groups)\*

We also have Chapel each month, with a yearly theme. The children will learn songs that they will sing in our Spring Program. Some of our past Chapel Themes have included: The Miracles of Jesus, The Armor of God, and Heroes of the Bible. This past year our theme was “The Parables of Jesus”; the children learned how Jesus’s stories help us live better lives. Our current theme is “Animals of the Bible”.

The curriculum for all of our classrooms is faith-based. The Day School offers a well - balanced program that will teach the children about Jesus, while incorporating the wonderful world of ABC’s and 123’s. The preschool classes follow a set curriculum.

### Our Mission

**We strive to provide a nurturing, safe, and Christian environment for our students. We equip children with Biblical truths by providing experiences that will encourage their spiritual growth, as well as experiences that will promote emotional, social, and physical growth. The staff at Central endeavors to set forth a Christian foundation for relationships with other children and their families, as well as preparing your children for the next step in their academic adventure.**
